Date and Company Stamp

Fees

1. A fee of \$120.00 (every 1.5km) excluding prevailing GST (Good and Service Tax) will be charged for each Notice for Commencement of Earthworks. The fees include a site joint meeting and inspection of trial holes within one month upon the date issued of conditional approval.
2. Payment is to be made by cheque only.
3. Payment to be payable to Next Generation Provider Pte Ltd

Please attach and submit the following together with the NCE:

- (a) The latest version of the TCDW's cable detection report and the Licensee's service layout plan;
- (b) The exact positions and number of proposed trial holes that will be dug by the Contractor", to be clearly indicated and marked up on the TCDW's cable detection report;and
- (c) The works schedule for the proposed earthworks.

The trial holes shall be —

- Shall be positioned on and along the routes of the telecommunication cables indicated in the TCDW's cable detection report
- Shall, where the Licensee's service layout plan and the TCDW's cable detection report indicate the route of the cables to be running in a straight line, be spaced at intervals of no more than 30m apart for such segments of the cables.
- Shall, where the Licensee's service layout plan and the TCDW's cable detection report indicate the route of the cables to be running in a curved or meandering line, be spaced at intervals of no more than 10m apart for such segments of the cables; and
- Shall be spaced at appropriate intervals of no more than 30m apart (and where curved or meandering, no more than 10m apart) along the route of the telecommunication cables throughout the entire vicinity of the proposed earthworks.
